Application for employment: **multi-skilled operator(water cart and diesel bowser)**

Dear Sir/Madam

I'm a qualified diesel mechanic and I have 5 years' experience in mining industry. I have full experience in Mining machinery repair and maintenance. Excellent experience on hydraulic.

I m a hard work, very intelligent and always initiative. I am very interested to join your team to ensure the stability of next generation. Willing to work all over in Namibia.

I attach my necessary document and I am expecting your positive response.

Yours faithfully

J Mapumba
